

Application for a Sanctioned Solo Marathon Swim of the Monterey Bay

Congratulations on your choice to swim across the Monterey Bay. The Monterey Bay is one of the most beautiful yet challenging marathon swims in the world. The MBSA was formed specifically to support you in achieving your dream. Our collective experience with long distance open water marathon swims, and the Monterey Bay, makes us the perfect partner for this goal.

MBSA is the only sanctioning body in the Monterey Bay and is respected as such throughout the international swimming community.

MBSA observation and sanctioning includes: pre-swim information and support, two official observers, tracking, detailed swim report, documentation, ratification, promotion (if wanted), verification with the press (if wanted), certificate, a very cool medal, recognition at the annual awards ceremony, and verification of swim for the MSF Long Swims Database. A successful and verified swim with MBSA also gives your swim credibility and recognition across the global marathon swimming community.

The MBSA is a completely volunteer non-profit service organization dedicated to swimming in the Monterey Bay. All fees and donations are used exclusively to support our swimmers and the swimming community.

Completed application packages are reviewed within two weeks of receipt and the MBSA will contact you with any questions and/or confirmation of your swim date and observer assignments.

Your first step in completing this application is to charter your boat and captains. This will ultimately define your swim date and start time. Once you have a date (or window) confirmed with your boat charter, contact us immediately so we can add you to the swim calendar.

Please spend time reviewing the rules, tips for planning your swim and other resources on the MBSA website (www.swimmonterey.org). This information can help to ensure your application and swim plan are as complete as possible.

It's our goal to support you in preparing for and experiencing the most successful swim possible.

Sincerely,
The MBSA Board of Directors

THIS IS A RELEASE OF LIABILITY AND WAIVER OF CERTAIN LEGAL RIGHTS.

I, _____, have voluntarily requested to enter and participate in an effort to swim in, across, around, or near the Monterey Bay, California.

I understand the extreme dangers and risk of such an undertaking and am aware of the difficulty involved, even for the most conditioned athlete. I understand that I should not enter this event unless I am in excellent health and am fully trained and conditioned for this strenuous task. I am also aware of the unusual weather conditions that may prevail in the Monterey Bay at any time of the year, including but not limited to: high, gale force winds; dense fog; great and swift seas; strong currents; pounding surf; treacherous rocks and reefs; and the constant presence of potentially dangerous marine creatures such as sharks, marine mammals, and highly toxic Scyphozoans (jelly fish). I am aware that this body of water is used by both private and commercial vessels, including but not limited to fishing boats, small motor boats, large commercial ships, and cruise ships of varying tonnage and size. These vessels can be present day and night and travel at great speed. I AM AWARE THAT THESE ACTIVITIES AND MY PRESENCE AND ACTIVITY ON AND ABOUT THE WATERCRAFT AND IN THE ADJACENT WATERS CONSTITUTES A HAZARDOUS ACTIVITY. I AM VOLUNTARILY PARTICIPATING IN THIS ACTIVITY WITH KNOWLEDGE OF THE DANGER INVOLVED, AND AGREE TO ASSUME ANY AND ALL RISKS OF BODILY INJURY, DEATH OR PROPERTY DAMAGE, WHETHER THOSE RISKS ARE KNOWN OR UNKNOWN.

I verify this statement by placing my initials here: _____

I also agree that I, my assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives will not make a claim against, sue, or attach the property of any Releasee in connection with any of the matters covered by this Waiver of Liability. I further agree that I will indemnify and hold the Releasees harmless against all claims, demands, and causes of action including court costs and attorney's fees, directly or indirectly arising from any action or proceeding brought by or prosecuted for my benefit. This release extends to all claims of every kind and nature whatsoever, whether known or unknown.

I ACKNOWLEDGE THAT I HAVE CAREFULLY READ THIS AGREEMENT AND FULLY UNDERSTAND ITS CONTENTS. I UNDERSTAND THIS IS A WAIVER AND RELEASE OF LIABILITY AND IS A CONTRACT BETWEEN MYSELF AND THE MONTEREY BAY SWIMMING ASSOCIATION, AND I SIGN IT OF MY OWN FREE WILL.

Acknowledgement of Qualifying Swim Requirements

MBSA sanctioned swims require that you complete a qualifying swim within 1 year of your swim date.

These qualifying swims are to make sure you are aware of the challenge you are taking up and to give you a taste of what to expect. They are short swims compared to the actual Monterey Bay swim, and should become a distance that is often exceeded while training.

DO NOT treat them as a training target for a successful swim.

Monterey Bay Crossing

- **For SOLO swims, you must have completed a 7-hour swim in open water of comparable temperature within 1 year (but not less than 14 days) prior to your swim date.**
- Comparable temperature is defined as ranging between 54 and 59 Fahrenheit

As part of this application, I acknowledge that I understand and commit to my “qualifying swim” requirement.
